University Information

Courses

Machine Learning

- **Instructor:** Dr. Alice Johnson
- **Schedule:** Monday & Wednesday, 10:00 – 11:30 AM
- **Credits:** 3
- **Description:** Introduction to supervised and unsupervised learning, neural networks, and deep learning.

Data Structures

- **Instructor:** Prof. Bob Smith
- **Schedule:** Tuesday & Thursday, 2:00 – 3:30 PM
- **Credits:** 4
- **Description:** Covers linked lists, stacks, queues, trees, and graphs with practical coding examples.

Database Systems

- **Instructor:** Dr. Clara Lee
- **Schedule:** Monday & Wednesday, 1:00 – 2:30 PM
- **Credits:** 3
- **Description:** Fundamentals of relational databases, SQL, indexing, and transactions.

Faculty

- **Dr. Alice Johnson**

    - Email: alice.j@university.edu
    - Research Areas: Artificial Intelligence, Machine Learning

- **Prof. Bob Smith**

    - Email: bob.s@university.edu

- Research Areas: Algorithms, Data Structures

- **Dr. Clara Lee**

  - Email: clara.lee@university.edu
  - Research Areas: Databases, Information Retrieval

Campus Facilities

Library

- **Hours:** 8:00 AM – 10:00 PM (Daily)
- **Services:** Book lending, study spaces, digital resources

Gym

- **Hours:** 6:00 AM – 11:00 PM (Daily)
- **Services:** Cardio machines, weightlifting, yoga classes

Cafeteria

- **Hours:** 7:00 AM – 8:00 PM (Daily)
- **Menu:** Hot meals, snacks, coffee, vegetarian options

Ab tum ye text ek file me save karlo `university.md` ke naam se.

Phir usko `pandoc` ya `pypandoc` se PDF me convert kar sakte ho:

```
